

**REMARKS**

No claim amendments have been made. Accordingly, no listing of claims is required.

The title has been amended to use the American spelling for the term "SIGNIFICANTS." The use of the American spelling for this term in the specification and claims was required by the Ex Parte Quayle action mailed April 7, 2004. That requirement was satisfied by Amendment filed June 7, 2004, which included a substitute specification.

In reviewing the Notice of Allowance, applicant's representative noticed that the title had not been similarly amended. Accordingly, the instant amendment seeks to amend the title to use the American spelling in order to maintain consistency. The Examiner is requested to approve the amendment to the title, as the amendment does not affect the scope of the allowed subject matter.
